You have three tasks to complete during the summer break.

TASK 1 | Sketches (40 %)

The other six sketches can be of anything that you want to explore. Remember all the rendering techniques that you learnt in your freshman class - USE IT to show value and the three dimensional aspect of the images sketched.

Juniors: 4 Interior spaces, 4 building sketches and 4 landscaped spaces - **all sketches MUST be from observation only.** If you are traveling, sketch your way through your journey! Sketches should be in perspective, isometric or axonometric view. Revisit your foundation days - use varying rendering techniques to show the 3D aspect.

Seniors: 8 Sketches with very detailed rendering. These sketches should be from **observation only.** If you are going to apply to an Architecture program, please feel free to explore various media (pen, Ink, Color, charcoal, pencil...). General Recommendations for all

Summer Classes at the Art Students League on West 57th Street. The two links below will connect you to the scholarship application and the summer schedule. *Art and Design* and the *ASL* have a relationship going back many decades. We have many alumni of A&D teaching there. Look for classes by *Sam Goodsell*, *Ricky Mujica*, *Garin Baker*, *Costa Vavagiakis*, and former A & D teacher *Max Ginsburg*. There are classes in painting, drawing, printmaking, and sculpture.

Studying at ASL is a great thing to have on your college application and is an invaluable resource for you as an artist.

It is not a free school, but you can attend there free of charge through the Seeds of the League program.

Apply immediately to start classes in July.

There are many such programs throughout the city. If you are not confident about your artwork- this is the time to brush up on your skills for your portfolio.
